

## Gift of Thanks from the Skin Wellness Center of Chicago

At the Skin Wellness Center of Chicago, we are extremely grateful for our wonderful patients. In the season of giving, we are celebrating by once again hosting a toy drive to benefit local kids in need.

Two years ago, we learned about a woman named Debra who had grown up in a Chicago orphanage. She looked forward to Christmas each year because the local fire department would bring each child in her orphanage their very own toy. Today as an adult she has carried on her crusade to return the favor, trying to give these kids the very best holiday possible knowing that sometimes just a little gesture can mean so much. With all of the meaningful and important charities out there, we found our gift of toys meant the world to children in need right here in Chicago.

To celebrate the season of giving, donate an unwrapped toy\* and receive 10% off your cosmetic service this includes Peels such as our Festive Cranberry Peel for December, Microderms, Lasers, Botox, Dysport, and Fillers. Offer is valid the day you donate until the toy drive ends on December 9.

Last year, our staff and patients donated more than 100 toys, books and stuffed animals for children that need a little holiday cheer.

Please call (312) 236-9950 to book your service today!

*\*Unwrapped gift needs to be a value of at least \$15, no violent toys such as guns, military or toys that require batteries, please. The toy drive ends December 9.*

*Service must be completed by December 31, 2010. Can not be combined with any other offer. One time purchase only, applicable for new purchase only.*
